

Kinda Strange

Ike & Tina Turner

It's kinda strange why you don't kiss me anymore
(Don't kiss me no more)
I said it's strange why you don't kiss me anymore
(Don't kiss me no more)
Because your kisses used to set my soul on fire
And now they're so cold and make me want to cry
I don't believe (yeah!) that you love me anymore
(Don't love me no more)

Oh oh, it's also strange the way you act when you hug me
(Yes! When you hug me)
You know it's strange the way you act when you hug me
(Yes! When you hug me)
You know when you used to have me I would get a thrill
And now I feel nothing but a cold, cold chill
I don't believe (yeah!) that you love anymore
(Don't love me no more)

(Don't love me no more)
Hmm, it's kinda strange the way you act with other girls
(Yes! With other girls)
It's kinda strange the way you act with other girls
(Yes! With other girls)
You know, you bring around a pretty in my face
And it hurt me so bad but what can I say?
I don't believe (yeah!) that you don't love me anymore
(Don't love me no more)

I, I don't believe (you don't love me no more)
That you love me no more (you don't love me no more)
Yeh, yeh, yeh when you hug me (you don't love me no more)
Baby, baby, baby when you kiss me...
