

# Ooh Poo Pah Doo

Ike & Tina Turner

I wanna tell you bout ooh poo pah doo  
Baby, call me the most  
Ooh poo pah do, yeah  
Baby call me the most  
And I won't stop tryin'  
Till I create some disturbance in your mind

Gonna ring a few bells in your ear  
Ring a few bells, yeah yeah yeah yeah yeah yeah yeah  
Ring a few bells in your ear  
Ain't gon stop tryin'  
Till I create some disturbance in your mind

Woah!

Gonna make a few noises in your ear  
Make some strange noises  
Yeah yeah yeah yeah yeah yeah yeah  
Make some strange noises in your ear  
And I ain't gon stop tryin'  
Till I create some disturbance in your mind  
Your mind, your mind  
Your mind

Oh, make some disturbance in your mind...  
I ain't gon stop tryin'  
Until I create some disturbance in your mind  
Your mind, your mind...
