

Such a Fool for You

Ike & Tina Turner

Whoo!

I know you don't love me, but I still hang on
I love you too much to try to leave you alone

But I wanna know! (I wanna know...) I wanna know, (I wanna know
...) what make me be (I wanna know...)
Such a fool for you, now, baby
I'm such a fool for you... (now, baby...)

I can't make you love me, but I sho'nuff'll try
I'm holding to you, baby - I want you by my side

I got to know, (I wanna know...) I wanna know, (I wanna know...
) what make me be (I wanna know...)
Such a fool for you, now, baby
I'm such a fool for you... (now, baby...)

I let you do everything you wanna do - I turn my head and look
the other way
I know you don't love me, and you told me so - that's why I let
you have your own way
I'm a fool to love you if you don't love me, but it's nothing I
can really do
My friends call me crazy for loving you, but I'm really being a
fool for you

But I wanna know! (I wanna know...) I wanna know, (I wanna know
...) what make me be (I wanna know...)
Such a fool for you, now, baby
I'm such a fool for you... (now, baby...)

When you see me crying, I'm being a fool for you
And when you see me bleeding, baby, I'm being a fool for you
When I believe you're lying, yeah, I'm being a fool for you
I said I know
I said I know
I, I, I, I know I'm being a fool for you
