You Can't Blame Me

Ike & Tina Turner

You can't blame me for wanting you by myself
Oh no, I'm not gonna share you with nobody else
'Cause now that I love you, I don't wanna share you, oh no

The things you used to do that I couldn't take, had to smile
Now, they hurt me too slow, I just can't stand back, child
'Cause now that I love you, I don't wanna share you, oh no

I tried to hide the feeling, but you've gone from bad to worse
You've taken me for granted
All I do is worry and hurt

You can't blame me for wanting you by myself
Oh no, I'm gonna share you with nobody else
'Cause now that I love you, I don't wanna share you, oh no

If things don't change, I don't know what I'm gonna do
We better have a little talk, straighten it out through and thr
ough
'Cause now that I love you, I don't wanna share you, oh no

'Cause now that I love you, I don't wanna share you, oh no
'Cause now that I love you, I don't wanna share you, oh no
'Cause now that I love you, I don't wanna share you, oh no
