

Young And Dumb

Ike & Tina Turner

Lord, I want you to help me now
Here I am
In this big old world
And all of this people all around me
And I've got nobody to love

'Cause I've got too much time on my hands
I've gotta find me a Superman
And when I get him in my bedroom alone
He'll never wanna go back home

'Cause I'm a hot lovin', good lovin', sweet lovin' woman
And I know how to love
Oh, yeah
Oh, yes, I know how to love, baby, yes, I know how to love

Young, dumb, pull up, come on to me
Young, dumb, pull up, come on to me
Young, dumb, pull up, come on to me

Lord, I want you to help me now
The man I get might not be qualified
But all I want is somebody to keep me satisfied

'Cause I've got too much time on my hands
I've gotta find me a Superman
And when I get him in my bedroom alone
He'll never wanna go back home

'Cause I'm a hot lovin', good lovin', sweet lovin' woman
And I know how to love
Oh, I know how to love, baby
Give it to me now, yeah
'Cause I knows how to love you

Young, dumb, pull up, come on to me
Young, dumb, pull up, come on to me
Young, dumb, pull up, come on to me
She's young, she's dumb, she's pull up, come on to me
She's young, she's dumb, she's pull up, come on to me
