

Animal

Iko

Speed to my love, honey
Through veins and heart valves
Your eyes are street lights and my
Head is the only road you know

Speed to my love, honey
The traffic coffin drone
You'll walk through walls
When you hear me call

I wait a lifetime to see
I wait a lifetime to see

I'm an animal, I'm an animal, I'm an animal
I feel the weight of the world
I'm an animal, I'm an animal, I'm an animal
I feel the weight of the world
I'm not like this, I'm not like this, I'm not like this
Forever letting you down
I'm not like this, I'm not like this

Speed to my love, honey
Through veins and heart valves
You'll walk through walls
When you hear me call

I wait a lifetime to see
I wait a lifetime to see

I'm an animal...

What did I get lost for?
What did I get lost for?

I'm an animal...
