

## Harpoon

Iko

She said "hey! you might as well be on your own, be on your own  
"

She said "hey! you might as well be on your own, be on your own  
like me"

From the green light to the subway  
You're a harpoon and I'm a dead whale  
'cause I walk life in a minor chord  
From the pavement to the odeon  
There's a war with your name on  
I will fight you for the oxygen

She said "hey! you might as well be on your own, be on your own  
"...

Been myself, been cheated out, cold water tomorrow  
Hold my hand if it's all the same  
'cause I'm wasted, I'm wasted, I'm wasted here just sitting aro  
und  
Before this lap dance life, yeah

She said "hey! you might as well be on your own, be on your own  
"...

What is happy ever after?  
What is happy ever after?  
What is happy ever after if it's not you?

It's mondaymorningsesque (every day without you)  
It's mondaymorningsesque...

She said "hey! walk me home, I don't wanna be on my own"  
She said "hey! what do you know that I don't?"  
She said "hey! walk me home, I don't wanna be on my own"  
She said "hey"
