

Lost

Iko

Do you dare me to start
I'll tell you how my heart is
In a bed in the dark
I'll tell you how my heart is
Down a wire on this earth
I tell you that your heart is mine to break

And all that I have to say
And all that I have to say
On this broken globe i miss you, OK?

When you laughed till it hurt
You told me how your heart is
When you left without words
You told me how your heart is
Will you just turn around
And tell me that your heart is mine to break

All that i have to say
All that i have to say
On this broken globe I miss you, OK?

All that I have to say is I needed you more than I knew
And it's all lost

Don't say it
Don't say it
Don't say those words, I can't take it.
