I don't have class, I don't hide anything
That's why my level is high
There's no time to breathe
A natural slapstick
Today's party is classic yeah
Getting more dumb than Jim Carrey
Let out your wild side

Eyes roll back
When I enter the room
Of course you hate me
Cuz your spotlight is mine
Dance, dance like you're crazy
Tonight is hot, come inside here
You can feel the heat
It's gonna be game on like the world cup

Oh baby, is anyone there?
My heart is lonely
Don't look at me like that
Those eyes are cold

When the moon is full
Shout out lalalala

I just wanna get drunk
Shout out lalalala

Go dumb and dumber

Dumb dumb dumb dumb dumb
Dumb dumb dumb & dumber
Dumb dumb dumb dumb dumb
Let's get dumb
Let's all get dumb

Dumb dumb dumb dumb dumb
Dumb dumb dumb & dumber
Dumb dumb dumb dumb dumb
Let's get dumb
Like a fool

Ladi dadi a fun game
What's good is good
We goin dumb & dumber

Ladi dadi a fun game
What's good is good

I got a feeling
Turn up the volume
I feel the booming bass
From my head, shoulders to my toes
So turned up (turned up)
Get pumped up
(Get pumped up)
Swaying swaying stumbling stumbling
You look like a penguin

Oh baby, is anyone there?
My heart is lonely

Don't look at me like that

I just wanna get drunk
