Just another boy

Just another boy

I'm Just another boy (boy boy)

Just another boy

Just another boy

I'm Just another boy (boy boy)

The night air is good,

the neon lights are good

The streets are for me

Unlike the boring couples,

I have no fake worries

Aren't movies better to understand

when watched alone?

I'd rather donate my monet than spend

it on couple rings and tshirts

The night atmosphere is overheated,
I'm the villain to all couples
But I'm OK, money stacks up in
my wallet, nowhere to be used

[BB/B.I] This Christmas
will be with Kevin
Or anyone can call me
but not guys

Don't you worry, don't worry about me
Half-hearted comfort
is even less helpful
Don't worry, leave me alone
I like being alone, I'm OK

My dear, but why?
Can't I? I'm alone again
But hey, my dear,
but why?
Are you alone, like me?

Clap Clap Clap your hands you
If you're lonely tonight,
come stick with me
(Everyone put your hands up)

Clap Clap Clap your hands you
When the cold wind blows,
come stick with me
(Everyone put your hands up)

I'm better at riding the beat
and rhythm than being lonely
Dynamic and sexy, thicker than
the color of the night sky
Ilsan, Guro, Hongdae,
wherever I go, I don't care
Being single is better boyz
(with me with me)

It's complete, I'm happy with
my clothes and hairstyles
The weather is perfect and so is
the time, all alone, I feel so fine

I'm the fashionistar of the
night, a stand-out guy
Or maybe I stand out because
I'm alone on this street

Don't you worry, don't worry about me
Half-hearted comfort
is even less helpful
Don't worry, leave me alone
I like being alone, I'm OK

My dear, but why?
Can't I? I'm alone again
But hey, my dear,
but why?

Are you alone, like me?

Clap Clap Clap your hands you
If you're lonely tonight,
come stick with me
(Everyone put your hands up)

Clap Clap Clap your hands you
When the cold wind blows,
come stick with me
(Everyone put your hands up)

Where am I, who am I?
Wherever I look,
I see cringe-worthy PDA
I don't care nah I care,
it can be a puppy love
I just need someone

Oh~ Yeah

Just another boy Just another boy
I'm Just another boy boy boy
Just another boy Just another boy
I'm Just another boy boy boy

Clap Clap Clap your hands you
If you're lonely tonight,
come stick with me
(Everyone put your hands up)

Clap Clap Clap your hands you
When the cold wind blows,
come stick with me
(Everyone put your hands up)
