I remember when
I remember when I lost my mind
There was something so pleasant about that place
Even your emotions have an echo in so much space

And when you're out there without care
Yeah, I was out of touch
But it wasn't because I didn't know enough
I just knew too much

Does that make me crazy? Does that make me crazy? Does that make me crazy? Possibly

And I hope that you are having the time of your life But think twice, that's my only advice

Come on now, who do you, who do you, who do you

Who do you think you are

Ha ha ha, bless your soul

You really think you're in control

I think you're crazy
I think you're crazy
I think you're crazy
Just like me

My heroes had the heart to lose their lives out on the limb And all I remember is thinking I want to be like them

Ever since I was little

Ever since I was little, it looked like fun

And it's no coincidence I've come

And I can die when I'm done

But maybe I'm crazy Maybe you're crazy Maybe we're crazy Possibly

But maybe I'm crazy Maybe you're crazy Maybe we're crazy Probably
