Everytime I Look at You

Il Divo

I used to think that I was strong
I realise now I was wrong
'Cause every time I see your face
My mind becomes an empty space
And with you lying next to me
Feels Like I can hardly breathe

I close my eyes
The moment I surrender to you
Let love be blind
Innocent and tenderly true
So lead me through tonight
But please turn out the light
'Cause I'm lost every time I look at you

And in the morning when you go
Wake me gently so I'll know
That loving you was not a dream
And whisper softly what it means to be with me
Then every moment we're apart
Will be a lifetime to my heart

I close my eyes
The moment I surrender to you
Let love be blind
Innocent and tenderly true
So lead me through tonight
But please, please turn out the light
'Cause I'm lost every time I look at you
Lost. Every time I look at you
