

# Flowers Will Bloom

Il Divo

My heart goes out to you  
When the winter snows give way to spring  
My heart is longing now  
Longing for the town where the happiness had been.

Been a place of hope and of dreaming too  
Been a home when my heart always went back to you

But for now I only dream  
Of the people who I loved and knew.

Someone is singing I can hear singing now  
Someone is weeping I can feel their tears  
Someone is smiling showing me why and how to go on living for years and years

Flowers will bloom, yes they will yes they will  
For you who are here or yet to be born.  
They'll bloom, yes they will and they bloom again until  
There's no missing sorrow and no reason left to mourn

My heart goes out to you

Goes out to you

When the morning sun lightsup the pale blue sky

The pale blue sky

My heart is heavy now  
With the grief I tried so often to deny

I regret mistake that I sometimes made  
But I know our love will never fade

And that you'll live on instead of me

Instead of me

And that you will have whatever love can be

Someone is thinking I can read ev'ry thought  
Someone is shedding tears for all that was lost  
Someone is leading you to love that they sought asking you to love all that  
you love the most

Flowers will bloom, yes they will yes they will  
For you who are here or yet to be born.  
They'll bloom, yes they will and they bloom again until  
There's no missing sorrow and no reason left to mourn

Flowers will bloom, yes they will yes they will  
For you who are here or yet to be born.  
They'll bloom, yes they will and they bloom again until  
There's no missing sorrow and no reason left to mourn

Yes they will

They'll bloom yes they will and they bloom again until...

You'll life and remember and love us forever more

And love us forever more...
