

# Anytime

ILIRA

Like a hammer on a drum  
Like footprints in the sand  
From the moment we are born  
There's an imprint on your hand

Wrap your fingers round my neck  
You don't speak my dialect  
But our images reflect  
Drawn together by the flame  
We are just the same, embrace the wind  
And fall into another time and space

If we belong to each other, we belong  
Anyplace, anywhere, anytime  
I'm going to any world you're coming from  
Anyplace, anywhere, anytime

To each other, we belong  
Any world you're coming from  
To each other, we belong  
Anyplace, anywhere, anytime

Another story, time, and age  
You were a pirate from the sea  
Words sail across the page  
Crash like thunder suddenly

Wrap your fingers round my neck  
You don't speak my dialect  
But our images reflect  
Drawn together by the flame  
We are just the same, embrace the wind  
And fall into another time and space

If we belong to each other, we belong  
Anyplace, anywhere, anytime  
I'm going to any world you're coming from  
Anyplace, anywhere, anytime

To each other, we belong  
Any world you're coming from  
To each other, we belong  
Anyplace, anywhere, anytime

To each other, we belong  
Anyplace, anywhere, anytime
