

# Clean Break

ILIRA

Ooh, ooh, I need a  
Ooh, ooh (I need a clean break)

Is it love or am I a little greedy?  
Say I'm done, but my heart doesn't believe me  
But the moment I start lettin' go, there you go  
There you go

I'm no good at goodbyes, stop wastin' my time  
On heartbreak and wine (La-la-la-la, la-la-la-la)  
I keep losin' my mind, gets harder to find  
But baby, tonight, I need a clean break

I'm at the party, so don't call me if you need me  
I-I-I'm breakin' up, I'm dancin' with the DJ  
Welcome to the other side, I think I found a new me  
And it's a new day, I-I need a clean break

Ooh, ooh, I need a  
Ooh, ooh, I need a clean break  
Ooh, ooh, I need a  
Ooh, ooh (I-I need a clean break)

I'm alive, feel the music take me higher  
Put my future mistakes out of my radar  
Yeah, I'm finally cuttin' the cord, there you go  
There you go, oh

I'm no good at goodbyes, stop wastin' my time  
On heartbreak and wine (La-la-la-la, la-la-la-la)  
I keep losin' my mind, gets harder to find  
But baby, tonight, I need a clean break

I'm at the party, so don't call me if you need me  
I-I-I'm breakin' up, I'm dancin' with the DJ  
Welcome to the other side, I think I found a new me  
And it's a new day, I-I need a clean break

I need a clean break (Hey)
