Do It Yourself

ILIRA

You don't need to get it up for me, I'm fine
Keep your happy-ever-after, it ain't mine
Bubblegum, I chew you up and run
Bonnie could've had a good life without Clyde

Cover my ears like la-la-la-la (La-la-la-la)
Don't wanna hear that I need a lover

I love myself like nobody else
Hands on, go on, do it yourself
I touch myself like nobody else
Bigger, better, do it yourself

Snow white, beauty and the beast, a bunch of lies (Bunch of lie
s, yeah)
Girls ain't gotta be the sweet and helpless type
Oh, prince for sale, forget a fairytale (Oh yeah)
I don't need a man to save me, watch me fight

Cover my ears like la-la-la-la (La-la-la-la)
Don't wanna hear that I need a lover

I love myself like nobody else
Hands on, go on, do it yourself
I touch myself like nobody else
Bigger, better, do it yourself

Hands on, go on, do it yourself
Bigger, better, do it yourself

I love myself like nobody else
Do it yourself
I love myself like nobody else
Do it, do it, do it yourself

I love myself like nobody else
Hands on, go on, now do it yourself
I touch myself like nobody else
Bigger, better, do it yourself

I love myself like nobody else
Hands on, go on, do it yourself
(I) I, yeah, uh, ooh yeah
(Bigger, better) So do it yourself, yeah
