

Fuck It, I Love It!

ILIRA

One second into talking
Boy you got me falling
Falling right into your fire
Falling right into your fire
Two devils on your shoulder
But I want you closer
Why you messing with my mind, ya
Let you do it all the time, ya

Yea I know, I know
I'm losing control to you hoo-hoo-uh
To you hoo-hoo-uh

Fuck it I love it
Fuck it I love it
Fuck it I love it
(Fuck it I love it)
Can't be bad if it feels so good

Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
(Fuck it I love it)
Can't be bad if it feels so good

Three pages in my diary
All about you baby
Tell me how you get me higher
When you act like you don't try, ya
Four days without you calling
Should've seen the warning
But you're such a pretty liar
And I'm a sucker for your type, ya

Yea I know, I know
I'm losing control to you hoo-hoo-uh
To you hoo-hoo-uh

Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
(Fuck it I love it)
Can't be bad if it feels so good

Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
(Fuck it I love it)
Can't be bad if it feels so good

Uhh boy, something 'bout the way you do, boy

Something 'bout the way you sa-a-a-ay
Whatever you sa-a-a-ay
Uhh boy, something 'bout the way you move, boy
Got you in my head all da-a-a-ay
But it's oka-a-a-ay

Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
(Fuck it I love it)
Can't be bad if it feels so good

Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
(Fuck it I love it)
Can't be bad if it feels so good

Ey-ya-ya-ya
Ey-ya-ya-ya
(Fuck it I love it)
La-la-la-la-la-la-la-la
(Fuck it I love it)
Fuck it I love it

Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
Mmh-mmh-mmh-mmh
Fuck it I love it
La-la-la-la-la-la
Can't be bad if it feels so good
