ILIRA

I'm a blue blood
Make you sign a prenup
Way before you touch my skin
It's a long shot
Wanna hit the jackpot
Never let nobody in
Love a man who got manners
Don't be mad I got standards
So get it started
Rolling out the carpet
I could be the best you had

You could get far
If you knew better
I'm sorry
Take a bow and remember please

Love me, love me, la-la-la-love me
Treat me like I'm royalty
Love me, love me, la-la-la-love me
Welcome to the Ivy League
(Ey) Enchantee, boy obey
If you wanna get with me
Then love me, love me, la-la-la-love me
Treat me like I'm royalty

Ro-yo-yo-yo-yo-yo-yo
Treat me like I'm royalty
Ro-yo-yo-yo-yo-yo-yo
Treat me like I'm royalty

Made in heaven
Million dollar diamond
Can you pass the caviar?
Competition
Limited edition
Don't forget to open doors
Love a man who got manners
Don't be mad I got standards
Tokyo to London
Chillin' in the Hamptons
You only wanna eat one thing

You could get far
If you knew better
I'm sorry
Take a bow and remember please

Love me, love me, la-la-la-love me
Treat me like I'm royalty
Love me, love me, la-la-la-love me
Welcome to the Ivy League
(Ey) Enchantee, boy obey
If you wanna get with me
Then love me, love me, la-la-la-love me
Treat me like I'm royalty

Ro-yo-yo-yo-yo-yo-yo
Treat me like I'm royalty
Ro-yo-yo-yo-yo-yo-yo
Treat me like I'm royalty

You look so confused
Give me that old school
I don't need your hand right there
On my derriere

Love me, love me, la-la-la-love me
Treat me like I'm royalty
Love me, love me, la-la-la-love me
Welcome to the Ivy League
(Ey) Enchantee, boy obey
If you wanna get with me
Then love me, love me, la-la-la-love me
Treat me like I'm royalty

Ro-yo-yo-yo-yo-yo-yo
Treat me like I'm royalty
Ro-yo-yo-yo-yo-yo-yo
Treat me like I'm royalty
