

# All The Right Words

III Niño

I can smell the way you taste  
I chase every breath you take  
And I'll wait

Why would I deny?  
I don't have to lie  
Was there something that I missed?  
Well it's not this

All you say is that I'm playing games  
But if I stay, I'll just go crazy  
Throw away the promise that you made  
And understand

I just want to touch you  
I just want to fuck you

Can I lie to you?  
Like you want me to  
I'll say that I'm in love with you

Can I lie to you?  
Like you want me to  
I'll say that I'm in love with you

You move how I want you to  
You prove I belong to you  
And I do

Why would I deny?  
I don't have to lie  
Was there something that I missed?  
Well it's not this

All you say is that I'm playing games  
But if I say, I'll just go crazy  
Throw away the promise that you made  
And understand

I just want to touch you  
I just want to fuck you

Can I lie to you?  
Like you want me to  
I'll say that I'm in love with you

Can I lie to you?  
Like you want me to  
I'll say that I'm in love with you

But this is not how I feel  
And there is nothing for real  
Though I don't know you  
I don't even care

But this is not how I feel  
And there is nothing for real

Though I don't know you  
I don't even care

But this is not how I feel  
And there is nothing for real  
Though I don't know you  
I don't even care

I just want to touch you  
I just want to fuck you

Can I lie to you?  
Like you want me to  
I'll say that I'm in love with you

Can I lie to you?  
Like you want me to  
I'll say that I'm in love with you
