

Blood Is Thicker Than Water

III Niño

Our blood is thicker than water
Our blood is thicker than water
Singing
Our blood is thicker than water
Our blood is thicker than water

Out of my head all I hear is your laughter
Caught in a web of this tragic disaster
Come back to me
Come back to me
Seeing your face is a constant reminder
Of how much I love you when no hearts can find you
Come back to me
Come back to me

The ties that bind us together
I'm just like my father
Just like my mother
Our graves lie next to each other
I'm just like my father
Just like my mother
Sing it

Our blood is thicker than water
Our blood is thicker than water
Singing
Our blood is thicker than water
Our blood is thicker than water

Out of my head I don't know what I'm thinking
All you've been doing is smoking and drinking
Come back to me
Come back to me
Seeing your face all I hear is your laughter
Trapped in a web of your tragic disaster
Come back to me
Come back to me
Come back to me
Come back to me

The ties that bind us together
I'm just like my father
Just like my mother
Our graves lie next to each other
I'm just like my father
Just like my mother
Sing it

Our blood is thicker than water
Our blood is thicker than water
Singing
Our blood is thicker than water
Our blood is thicker than water

I'm out of my head all I hear is your laughter
I'm caught in a web of this tragic disaster
Seeing your face is a constant reminder

Of how much I love you when no hearts can find you

Puede ser que no esta claro
Te extraño yo a ti
Hasta verte en el cielo nunca paro
Siempre te llevo a mi lado
Tu ultima voz, tu ultimo aire en mis manos
Tu rezaste por mi todo los días
Que nadie me quite la paz, la alegria
Como me duele que nunca conociste a mi hija
Pero se que en las nubes otra vida
Yo te llevo, nos vemos en el cielo
Te quiero, te amo
Necesito que me escuchen los ángeles
Siempre yo te llevo en mi sangre
Tu eres mi sangre, mis manos
Te quiero, te amo

The ties that bind us together
I'm just like my father
Just like my mother
Our graves lie next to each other
I'm just like my father
Just like my mother
Sing it

Our blood is thicker than water
Our blood is thicker than water
Singing
Our blood is thicker than water
Our blood is thicker than water
Singing
