

My Resurrection

Oh God, if there ever was a God, my soul
If I ever had a soul, bring forth
This unilateral condition
Resando que siempre
Me des resolution

Recompose
Resurrect my termination through birth
Now that I am whole
This immaculate conception reborn

Again
I will
Strike back
Through my
Resurrection
Resurrection

Mi dios, yo te pido qu me ables, el sol
M a nublado los canales, to voz
Tansmitiendo tus senales
La sangre de mis manos
Esta callendo en tus calles
