

# Not Alive in My Nightmare

III Niño

Who the fuck are you  
Hey, don't you fucking point your finger  
Don't push me back  
Who the fuck are they  
And don't you fucking point your finger  
Don't push me back  
Because I'm the real man  
I got the better plan  
And don't you ever think to fucking question me again  
You've enter the final game  
This will be your last mistake  
Te diguo no cuestionas who I am  
Who I am

I don't need a charity  
I don't need your apathy  
This board is your hell  
And I will fuck you all up myself  
And I will fuck you all up myself  
So wake up  
Wake up  
Wake up  
I am your nightmare, it has begun

I know it's only fantasy  
You're not alive in my dream  
But I am winning when I am killing you  
I know it's only fantasy  
You're not alive in my dream  
But I am winning when I am killing you

Who is the winner now?  
Hey, don't you fucking point your finger  
Don't push me back  
Who? What the fuck did you think?  
I'm not just any fucking spic  
Don't push me back  
Yo soy hombre, respetame  
Yo soy hombre, admirame  
Don't you ever think to step in front of me again  
You've entered the final game  
This will be your last mistake  
And don't you ever question me again  
Me again

I don't need your apathy  
This board is your hell  
And I will fuck you all up myself  
So wake up  
Wake up  
Wake up  
I am your nightmare, it has begun

I know it's only fantasy  
You're not alive in my dream  
But I am winning when I am killing you  
I know it's only fantasy

You're not alive in my dream  
But I am winning when I am killing you

I know it's only fantasy  
You're not alive in my dream  
But I am winning when I am killing you  
I know it's only fantasy  
You're not alive in my dream  
But I am winning when I am killing you
