

Payaso

III Niño

I will fight till you fall
I'll knock down any wall
I think you better go
Y no me toques
Don't you get up in my face
You're just an ugly disgrace
You better check yourself
My patience has run out

You're so sadly full of shit
Let's get you in this violent pit
Watch my posse break your neck
You're a clown you fucking dick

Payaso
You asshole
Not even worth my spit
So shut you're fucking lip

I will never regret
Test me see what you'll get
Que tu crees puto
Yo te rompo
Ya veras callate
I'll make you fucking regret
Better check yourself
My patience has run out

You're so sadly full of shit
Let's get you in this violent pit
Watch my posse break your neck
You're a clown you fucking dick

Payaso
You asshole
Not even worth my spit
So shut you're fucking lip

I will fight till you fall
I'll knock down any wall
Que tu crees puto
Yo te rompo
Don't you get up in my face
You're just an ugly disgrace
You better check yourself
Patience has run out
My patience has run out
Out, out, out
Patience has run out

Payaso
You asshole
Not even worth my spit
So shut you're fucking lip
Payaso
You're an asshole
Not even worth my spit

So shut you're fucking lip
