

Ritual

III Niño

I did it all for you,
I gave you my mistake.
What do you want from me?

Is it me? Am I wrong?
Is it something I have not done?
What could I change of the past?
For this time and future,
Could not last.

As the worlds turn, no te importa.
But I can't. I can't. I can't.
I can't get you out of my head.
You disown me, and no one loves me.
But I can't. I can't. I cannot breathe.

I give you every breath
Like it belongs to you.
What do you want from me?
I give you my mistakes
Like they were all for you.
What do you want from me?
You tell me all your lies
Like they were all your proof.
What do you want from me?
I'll do it over and over,
All again for you.
What do you want from me?
From me?

Give me faith, give me strength,
Not some fantasy, I could never grip.
We can't fly, hide away,
Or erase the past along with my mistakes.

As the world fades, there's no escape.
But I can't. I can't. I can't. I can't
Get you out of my head.
No te porta, you dissolve me
But I can't. I can't. I cannot breathe.

I give you every breath
Like it belongs to you.
What do you want from me?
I give you my mistakes
Like they were all for you.
What do you want from me?
You tell me all your lies
Like they were all your proof.
What do you want from me?
I'll do it over and over,
All again for you.
What do you want from me?
From me?

Will you have faith in me
Like I deserve you too?

So long we search for this.
So much we gave in to.
I gave you my mistakes,
I made them all for you.

I give you every breath
Like it belongs to you.
What do you want from me?
I give you my mistakes
Like they were all for you.
What do you want from me?
You told me all your lies
Like they were all your proof.
What do you want from me?
I'll do it over and over,
All again for you.
What do you want from me?
From me?
