

# Crazy Times

Illenium

It' so hard to find  
Some peace of mind  
In these crazy times

Eyes open wide  
So fuckin' blind  
In these crazy times

My foundation's been rocked but  
I keep showing up  
Even though sometimes I wanna die  
I'm sorry I feel that way

And I know I'm not alone but God, I feel so lonely sometimes  
Am I crazy? Am I?  
In these crazy times

I don't wanna lie here  
Tortured by my thoughts  
I cry tears  
But I feel almost nothing

And I fear I'm always gonna feel I'm paralyzed  
In these crazy times

In these crazy  
In these crazy times  
Am I crazy?  
I'll see you on the other side  
On the other side

Oh, the future looks dark but  
I keep showin' up  
Like I'm some ghost from another time  
Holding the gun from a suicide

And I know I'm not alone but God, I feel so lonely sometimes  
Am I crazy? Am I?  
In these crazy times

I don't wanna lie here  
Tortured by my thoughts  
I cry tears  
But I feel almost nothing

And I fear I'm always gonna feel I'm paralyzed  
In these crazy times

In these crazy  
In these crazy times  
Am I crazy?  
I'll see you on the other side  
On the other side

On the other side

In these crazy

In these crazy times  
Am I crazy?  
I'll see you on the other side  
On the other side

On the other side
