

Feel Alive

Illenium

Talk to me in words
I can lose myself in
Wrapping me around your tongue
'Til I'm underneath your skin

Every word you say
Sets my skin on fire
And everything you do
Makes me feel alive

Make me feel alive
Make me feel alive
Make me feel alive
Make me feel alive

Make me feel alive

Run me around this world
Tell me what you're dreaming of
Shake me from this darkness
Just like lightning from above

Every word you say
Sets my skin on fire
And everything you do
Makes me feel alive

Make me feel alive
Make me feel alive
Make me feel alive
Make me feel alive

Make me feel alive
Make me feel alive

Make me feel alive

Make me feel alive
Make me feel alive
Make me feel alive
Make me feel alive

(Make me feel alive)
(Make me feel alive)
(Make me feel alive)
(Make me feel alive)
