God Damnit

Illenium

If there's a God
Why'd He make me?
All of these flaws
Is all that I see
If there's a God
I don't believe
Someone as perfect as you would love me
God (Damnit)

Praying to a ghost
Hoping he gets it
The last three girls I fucked didn't listen
The last two pills I took haven't kicked in
Having these one night stands with an addiction
Now I gotta catch a red eye to Michigan
Playing a show, then a girl that I'm getting with
Fuck it, I'm young, I can act like an idiot
How many sins I gotta make till I get the hint

But shit, it's 4am
Pouring rain out
Bored again
So I break down
Go and send
More than "hey" now, now
I fucked up
Of course I did
The more I think now
I should quit
Forfeit the crown
I'd give this up
To not let you down again

If there's a God
Why'd He make me?
All of these flaws
Is all that I see
If there's a God
I don't believe
Someone as perfect as you would love me
God (Damnit)

God (Damnit)
God (Damnit)
God, why me?
God (Damnit)
God (Damnit)
God (Damnit)
God, why me?
God (Damnit)

Baby you're a ghost, why are you missing
Maybe cuz I haven't hit you back in a minute
Maybe cuz I flirt with every girl in existence
I blame it on distance that I'm being distant
But I don't fucking care, I gotta sing to these kids quick
I remember never having fans that would listen

But now I gotta thousand every city I visit
It's just you ain't here now and I miss it

But shit, it's 4am
Pouring rain out
Bored again
So I break down
Go and send
More than "hey" now, now
I fucked up
Of course I did
The more I think now
I should quit
Forfeit the crown
I'd give this up
To not let you down again

If there's a God
Why'd He make me?
All of these flaws
Is all that I see
If there's a God
I don't believe
Someone as perfect as you would love me
God (Damnit)

God (Damnit)
God (Damnit)
God, why me?
God (Damnit)
God (Damnit)
God (Damnit)
God, why me?
God (Damnit)

God (Damnit)
God (Damnit)
God, why me?
God (Damnit)
God (Damnit)
God (Damnit)
God, why me?
God (Damnit)
