

Jumpin' right off the edge  
Freedom, it's freedom  
Wouldn't do it for less  
Then freedom, freedom

I was sleeping, divin'  
Eyes closed, blinded  
Now for the first time  
I can see

Sometimes I gotta pinch myself  
Oh, gorgeous  
Hello today  
Well let me introduce myself  
Oh, gorgeous

All those days that passed me by  
I can't believe I'm still alive

They say you need the dark to shine  
It's like I can see for the first time  
And it's gorgeous  
(It's gorgeous, go-ohhh)  
(It's gorgeous, go-ohhh)

I can see it for miles  
Freedom, I can feel it  
No more living denial  
See it, breathe it

Sometimes I gotta pinch myself  
Oh, gorgeous  
Hello today  
Well let me introduce myself  
Oh, gorgeous

All those days that passed me by  
I can't believe I'm still alive

They say you need the dark to shine  
It's like I can see for the first time  
And it's gorgeous  
(It's gorgeous, go-ohhh)  
(It's gorgeous, go-ohhh)
