Illenium

So, I'll be your reason  
We won't talk again  
So, I'll be your reason  
We won't talk again  
So, I'll be your reason  
We won't talk again  
I'll make you fall for me  
And make you fall for me  
So, I'll be your reason

So, I'll be your reason

I'll be your reason  
We won't talk again  
So, I'll be your reason  
We won't talk again  
And make you fall for me  
And make you fall for me  
So, I'll be your reason  
I'll be your reason  
I'll be your reason  
I'll be your reason  
We won't talk again  
So, I'll be your reason  
We won't talk again  
So, I'll be your reason
