

# Leaving

Illenium

Hey, just seeing how you're doing  
I just wanted to say that I miss you, I guess  
And I'm sorry  
Call me back  
Bye

So tell me how I'm supposed to feel now  
60 over the limit just 'cause I can  
They say, "You know, you gotta slow down"  
There's no coming back  
So young and restless, I'm a cliché, yeah  
But it's easier said than done

And I can't keep waiting here  
I'm just aging  
So I'm gone  
Such a shame

But baby, I'm leaving  
Before tomorrow comes  
I don't believe in saying I'm never coming home  
But I'm drawing the line, and say whatever you like  
But I'm leaving  
I'm letting go of all I've ever known

So falling in and falling out fast  
I'm burning up, I can't believe this got old so fast  
And I'm done with feeling like I'm told I should  
'Cause it's a feeling I'm chasing  
And I ain't found it here in a while

But I can't keep waiting here  
I'm just aging  
So I'm gone  
Such a shame

But baby, I'm leaving  
Before tomorrow comes  
I don't believe in saying I'm never coming home  
But I'm drawing the line, and say whatever you like  
But I'm leaving  
I'm letting go of all I've ever known

'Cause I'm leaving  
'Cause I'm leaving  
'Cause I'm leaving  
'Cause I'm leaving  
'Cause I'm leaving
