

Sad Songs

Illenium

Told me I shouldn't watch
Got in your car, then we were nothing
All the nights in your room, shit we got through
Left in your dust, yeah
Don't know what you got, but I thought we had it
Now I'm supposed to act like it doesn't matter
But I'm writing it down, getting it out
Here's to me hoping

Someday I'll come home
And feel like no one's even gone
Play this at my shows
And know that I've been moving on
Someday I'll go to bed and I'll forget I'm lyin' in your spot
But until some day comes
I'll be writing sad songs

Wish that there was a way I could have saved
One little moment, yeah
Pull it out when I can, handle the pain
And know when it's over
I was so intact on the night I met you
Now I'm making sad songs inside my bedroom
But I'm writing it down, getting it out
Here's to me hoping

Some day I'll come home
And feel like no one's even gone
Play this at my shows
And know that I've been moving on
Some day I'll go to bed and I'll forget I'm lyin' in your spot
But until some day comes
I'll be writing sad songs

Hoo, hoo
I'll be writing sad songs
Hoo, hoo
I'll be writing sad songs
Hoo, hoo
I'll be writing sad songs (Sad songs)
Hoo, hoo
I'll be writing sad songs

I'll be writing sad songs

Someday I'll come home
And feel like no one's even gone
Play this at my shows
And know that I've been moving on
Someday I'll go to bed and I'll forget I'm lyin' in your spot
But until some day comes
I'll be writing sad songs
