

Sound Of Where'd U Go

Illenium

No, don't come find me
I won't be here waiting
I so can do it alone
You're not worth staying

Where'd you go?
Where'd you go?
Where'd you go?
Where'd you go?

No, don't come find me
I won't be here waiting
I so can do it alone
You're not worth staying

Where'd you go?
Where'd you go?
