

Spirals

Illenium

Remember when you asked me to paint you all my dreams
I told you a sailboat no compass just us and an open sea
I'll sing like a siren, our island is floating
The sail in the blue sky is our only curtain
I'll show you a spiral
Staircase that only your eyes can see

I'll spin your walls around
Around like spirals
Won't you go all the way down
Down like spirals, like spirals
Like spiral stairs to a cave by the ocean
Unravel all for you
All for you
All for you

Remember when our paradise was green grapevines and leaves
Do you remember when the shorelines grew for you and me
I'll build you a house where the hallways will always
Lead you to bedrooms where i will be waiting
I'll show you a spiral
Staircase that only your eyes can see

I'll spin your walls around
Around like spirals
Won't you go all the way down
Down like spirals, like spirals
Like spiral stairs to a cave by the ocean
Unravel all for you
All for you
All for you
