

Worst Day

Illenium

Felt my life about to change
Closed my eyes and had a dream
About a lonely place
Where flowers only bloom in gray
All the magic turned to dust
Only memories left of us
That soon will fade away
With the words I never got to say
Almost lost the one thing I got right

Could've been the worst day of my life
Could've been the worst day of my life, I
Thought that I would have to say goodbye
Could've been the worst day of my life, of my life
Just when I felt you slippin' out my hands
I guess that Heaven had another plan
Oh, oh
Could've been the worst day of my life

I'll never see that tree the same
The one that we both carved our names
Into with razor blades
Then made out in the summer rain
Oh, I almost lost you like that
Oh, don't wanna think about that
Oh, don't wanna think about that
The thought of you never comin' back

Could've been the worst day of my life
Could've been the worst day of my life, I
Thought that I would have to say goodbye
Could've been the worst day of my life, of my life
Just when I felt you slippin' out my hands
I guess that Heaven had another plan
Oh, oh
Could've been the worst day
Just when I felt you slippin' out my hands
I guess that Heaven had another plan
Oh, oh
Could've been the worst day of my life
