

Didn't

illuminati hotties

Left out
Lawless
Promise
I know impossible truth
Vicious
Sick of it
My way
I won't do it
Wanna
Finish
What if

What if I just didn't?

Didn't
Do it
Didn't
Do it
Didn't
Do it
What if I just didn't?

Listen
Honest
There's so much
That I'm expected to do
I feel
So insufficient
Yeah I'm not
Engineered quite like you

Ambition
Intermittent
Then I think
Well, what if I just didn't?

Didn't
Do it
Didn't
Do it
Didn't
Do it
What if I just didn't?

Didn't
Do it
Didn't
Do it
Didn't
Do it
What if I just didn't?

Do what you want to
You know I'm so unenthused
I don't want to

What if I just didn't?

Do what you want to
You know I'm so unenthused
I don't want to

What if I just didn't?
