

## Joni: LA's No. 1 Health Goth

illuminati hotties

"Hello, the program you are about to watch is a special presentation brought to you by IHTV's public broadcasting network  
This program was made possible by the efforts of Illuminati Hotties corporation, and contributions from little shredders like you. Thank you!"

Joni is a punk babe  
Joni is the second wave  
Joni is a black jean jacket  
Joni's in the first band  
Joni has a cool hand  
Joni knows the problem is systematic

Joni cut the tour line  
Joni doesn't have time  
Joni likes to dart on stage  
Joni's on a juice cleanse  
Joni doesn't need friends  
Cause Joni's got the whole room trained

I bet she never looks your way  
I bet she never looks your way  
I bet she never cared  
I bet she never cared  
I bet she never cared about you

When Joni's on a first date  
Joni goes to third base  
And when you wake up Joni's long gone  
Now Joni's at the desert house where only Joni sings loud  
Cause Joni never wrote a bad song

You wish

You were  
Like her

I bet she never looks your way  
I bet she never looks your way  
I bet she never cared  
I bet she never cared  
I bet she never cared about you

Joni's got a brand new mullet  
Fast and cool as a silver bullet  
And she's on your couch  
And she wants you to pull it!

I bet she never looks your way  
I bet she never looks your way  
I bet she never cared  
I bet she never cared  
I bet she never cared about you
