

# Pool Hopping

Danger! Ripper!

In every life, there is a bell  
One rounded curve of time or tell  
I'm on the left half looking over, over, over, uh-huh  
Dip in a toe into the deep end  
Obtusely waving at a new friend  
They said the water's warm, but I'm not sure if you and I are-  
Over, over, over, so I'm-

Pool hoppin'!  
Window shoppin'  
Night vision  
Indecision  
Pool hoppin'!  
Window shoppin'  
Stealth make-out

Spittin' my teeth into their hand  
You're twisted like an ampersand  
Stuck in the hotel one block-  
Over, over, over, uh-huh  
Squeezin' a melty scoop of ice cream  
I let it drip across your backseat  
Guess I could wipe it up, but I ask you if maybe you'd pull-  
Over, over, over, now I'm-

Pool hoppin'!  
Window shoppin'  
Off hours  
Buzz the tower  
Pool hoppin'!  
Window shoppin'  
Clean rebound  
Peanut butter mouth  
Pool hoppin'!  
Window shoppin'  
All rip'rs  
No more skip'rs  
Pool hoppin'!  
Window shoppin'  
So spaced out
