

Holy land

Illusion

Why do you wanna hurt yourself?
God not hands wide open
It's not a manner for ending your pain - no way!

Why do you wanna hurt yourself
Heaven's gate isn't open
It's not good way to finish a day
When everyboy want's to kick-you !!

Don't try to want to hurt yourself
Cos' angels don't expect you
That's not your land that's not your home
Not yet! Not yet!

Don't try to want to hurt yourself
Cos' chance is possible always
That you will find a man who will understand you
And forever ready loves you.

Holy land...
