

## Nowhere

## Illusion

Cravings in the hopeless hearts  
Cravings stronger than spirit sense  
Why do we go to nowhere? Why?

In the cage of things we pedlock the door  
Where is the key to self determination ?  
Why do we go to nowhere? Why?

I don't want to make a suicide of my spirit like you  
I try not to drown in the wateronorance  
Why do we go to nowhere? Why?  
Why do we go to nowhere?

Like a river of your  
Cocksurance  
Arrogance  
Ignorance

Like a river of your hate  
to yourself ?
