

# Hopeless

Illy

It don't make no sense, this will never work (never work)  
Every time we try it I get hurt  
It don't make no sense, when it comes to you  
I do all the things I said I wouldn't do

Yeah, I was like "Oh my god" I'm in trouble here  
Tryna put you in the rear view  
Knowing problems closer than they appear  
But one look at you and I'm  
Back to square one, you took my breath like we shared lungs  
Normally I'm all cheek like a bare bum, but I knew I'm in over my head  
Once you gave me that look, been a disaster waiting to happen  
Can't get you out of my system, but I'm happy here relapsing  
And just when the feels felt nearly past, you light up the room 'til I'm see  
ing stars  
And I gotta laugh, we swore we wouldn't but here we are

And

It don't make no sense, this will never work (never work)  
Every time we try it I get hurt  
It don't make no sense, when it comes to you  
I do all the things I said I wouldn't do

Maybe we're just hopeless  
Messing up the way we do (messing up the way we do)  
Oh, maybe we're just hopeless  
Lying like it isn't true (lying like it isn't true)

Yeah, I was like "Oh my god"  
Feeling alright now, but know it won't be long  
'Til I'm back again, cause I know  
Soon as I pull back from ya, absence make the heart grow fonder  
Put that Daft Punk on and I go harder, better, faster, stronger  
Woah, repeat history with the same steps  
So safe bet, be a train-wreck  
But like we care, I mean we ain't yet, nah  
What hope we got, I get around 'til the music stops  
But the truth is, it's only you and always was

And

It don't make no sense, this will never work (never work)  
Every time we try it I get hurt  
It don't make no sense, when it comes to you  
I do all the things I said I wouldn't do

Maybe we're just hopeless  
Messing up the way we do (messing up the way we do)  
Oh, maybe we're just hopeless  
Lying like it isn't true (lying like it isn't true)

My head and my heart don't ever agree  
It's not all on you, some of it is me  
Keeps me up, keeps me up  
I've been losing sleep  
Oh, I can't love you sensibly

My head and my heart don't ever agree

Oh, hopeless  
Messing up the way we do, hopeless  
Lying like it isn't true, hopeless  
Messing up the way we do, like it isn't true

Ooh
