

# Where Is My Mind?

Illy

Ooh—stop  
Yeah, yo  
Like a Version  
Illy, triple j, yeah, cheah

With our feet in the air and our heads on the ground  
It's that time of the year, you been waiting on for months now  
Taken this long to shake last year's comedown  
Back then, I wish you were now  
But the world goes around, around it goes  
You know what? Life is like a cycle, go  
Ha, go, going down the hard road, yeah  
Falling in love with the people in the front row  
And all I know is the sea is rising  
Little koi koi swimming by my side  
My generation fights with a fist to the sky  
We young enough to care enough to ask why  
No surrender, you feel it, take a deep breath  
Here today, gone tomorrow, so we ride till there's no  
Rides left, what up, Seth? But your waitress  
Can keep the soggy toast, mate, I'm after the bread, ha

Where is my mind? Where is my mind?  
Where is my mind? Where  
Is my mind? Shit  
It's probably listening to hip-hop (Stop), go

This is for you, the reason I wrote this  
Stand in the rain and get my clothes as wet as if  
Swimming in the Caribbean, it was all a dream  
I used to be amazed by the hip-hop scene  
MD got ya spinning on your axis  
So you gotta ask yourself as your head collapses  
What would happen if today was your last?  
Everyone, boring old Paul to Jimmy Recard, huh  
Spitshine so it's clear  
Push it to the limit, try this trick and spin it, yeah  
Introduce yourself, go on, raise them beers  
But compared to Illy, most are so last year  
I'm heaps good, don't worry 'bout nothin'  
And there's nothing you can do, you gotta love it  
Long story short, little old, little borrowed, little new  
With a picture in my wallet of you, yeah

Where is my mind? Where is my mind?  
Where is my mind? Where  
Is my mind? Shit  
It's probably listening to hip-hop (Stop)

With our feet in the air, our head on the ground  
Try this trick and spin it, yeah  
Your head'll collapse if there's nothing in it  
And you'll ask yourself  
Where is my mind?  
Ha, yeah  
Where is my mind?
