

SEX WORKER

iLoveMakonnen

I'm a sex worker
It's all for you
And I won't leave
Until the job is through
I'm a sex worker
It's all for you
And I'll do things
That no one else will do

I'm tearing wall down
I'm laying pipes hun
And when I'm inside ya
It's renovation

Oh geez where the please
I'm tuned designed to tease
I'm the master of this game
With the skills that I don't shame
In my playbook of love
I could etch your name
And uh you want the same
And you know my love won't tame

I'm a sex worker
The path I tread
Yeah I fallen head over hills
I bumbed my head
I'm crafty
But I'm nasty
And you could pay the fee
For my surgery
What do you desire
You know I'm down for hire
And you can feel the fire

Cause I'm a sex worker
It's all for you
And I'll never leave
Until the job is through
I'm a sex worker
It's all for you
And I'll do things
That no one else will do

I sex
I fuck
I sex
I fuck
I sex
I fuck
I sex
I fuck
I sex
I fuck
I sex
I fuck
I sex

I fuck
I sex
I fuck

Cause I'm a sex worker
It's all for you
And I'll never leave
Until the job is through
I'm a sex worker
It's all for you
And I'll do things
That no one else will do

I'm tearing wall down
I'm laying pipes hun
And when I'm inside ya
It's renovation
