

## You Are The Dream

Ilse DeLange

I'd lived my life convinced I'd find  
Your love somehow, some way  
I held on to the faith that you  
Would show yourself one day  
Something in me believed  
This night was meant to be

You are the promise I made to my heart  
You are the vision I saw in the dark  
You are the reason I waited so patiently  
So many nights when I closed my eyes  
It's you that I have seen  
I am the dreamer  
You are the dream

It wasn't always clear to see  
Where I was headed to  
But all life's roads somehow I chose  
The one that led to you  
It doesn't matter how far I've been  
I found my journey's end
