Lada tada pa
Lada tada pada, tarada

Hey baby, tell me why we arguin again? Yey
Is she worth it? Just a random lady and, how can you say that s
he gets
More attention than you lets make a bet, youre the one whos her
e
And no matter what anybody would say, I love you endlessly
Cause no other other girl can take your place, I want you here
with me
And I dont want this to end, lemme testify put that on everythi
ng, thing, everything, thing

I gotta say its all about you (ey), about you (ey), about you
Gotta say its all about you (ey), about you (ey), about you
Gotta say its all about you (ey), about you (ey), about you
And I neither took down my love, I give it all to you! (yey)

We should be laughin, enjoyin life together than
Still fighting over a silly situation
Lets flip this around. I wont let the sun go down
Lets make it clear. With you Im standing here

All this time that Ive spent with you im not in it for a game
It aint fair to make you believe its true and then turn and wal
k away
And I dont want this to end, lemme testify put that on everythi
ng, thing, everything, thing

I gotta say its all about you (ey), about you (ey), about you
Gotta say its all about you (ey), about you (ey), about you
Gotta say its all about you (ey), about you (ey), about you
And I neither took down my love, I give it all to you!
Yeah. Everything I do, and everythin I said. Im tryna prove to
you
But she cant take a place. Yeah Yeah

I gotta say its all about you (ey), about you (ey), about you (ey, ye)
Gotta say its all about you (ey), about you (you), about you (o
h)
Gotta say its all about you (oh, oh), about you (you), about yo
u
And I neither took down my love (down my love!), I give it all
to you! (give it all to you!)
