

Dumb

I.M

Are you dumb, dumb, dumb?
Baby, you're so numb
We've been talkin' love but you never know
Am I naughty? Oh, don't you worry
Baby, hurry, you'll know you got me

Are you dumb, dumb, dumb?
Baby, you're so numb
We've been talkin' love but you never know
Am I naughty? Oh, don't you worry
Baby, hurry, you'll know you got me

You hit me at night
Calling me twice for advice, yeh, yeh
Am I your device?
Cannot suffice all the time, yeh, yeh
Jigyeopgeodeun ijen nado jeongmal
Miryeonhage tto banbokal geol ara

Baby jeoldae moreul riga eomneun geol ara
You know how I feel?
Come look into my eyes
Jigyeopgeodeun ijen nado jeongmal
Miryeonhage tto banbokal geol ara

Are you dumb, dumb, dumb?
Baby, you're so numb
We've been talkin' love but you never know
Am I naughty? Oh, don't you worry
Baby, hurry, you'll know you got me

Are you dumb, dumb, dumb?
Baby, you're so numb
We've been talkin' love but you never know
Am I naughty? Oh, don't you worry
Baby, hurry, you'll know you got me

Aemaehan daedapaji malgo baro malhae
Gakkeum naega ihae mot haenna sipgido hae
Huimangjeogin ne mare harureul salgido hae
Baeryeo seokkin malbodan ne jinsimeul wonhae

So, love me right love me right, baby
I am not just a guy to deny, baby
Don't hit me at night for somebody
Hit me at night for my body

I don't mind if you don't like me later
I just want you right now
Would you hurry?
Losing my mind
Can't come down, I just want you right now

Are you dumb, dumb, dumb?
Baby, you're so numb
We've been talkin' love but you never know
Am I naughty? Oh, don't you worry

Baby, hurry, you'll know you got me

Are you dumb, dumb, dumb?
