

God Damn

I.M

God damn it, I like it
Pretty good can't be shaken
I don't need you, need you, need you, need ya
Gimme a shot to over everything

God damn it, I like it
Kiss me down 'till I'm naked
I just need you, need you, need you, need ya
Gimme a shot to over everything
God damn it, I like it

God damn it, I like it
Don't bother me, I can't
Be better than ever

Why you tryna ruin me?
I'm fine with just me
