I.M

Why don't you understand that I'm always like this?  
Should I just wait and stay?  
You know that I'm in pain  
Minute became a day  
Was it hi, was it bye, all the kiss was just a lie

Monday morning nae sijageun ppeonhae  
Achimeun geujeo jogeum ondoman dareul ppun  
Bamcheoreom eoduun ilsange neoreul deohae  
Oh, can't say goodbye 'cause you're my habit and my loop

Ijen geuttaeui neoui mojin maldo naege seuchyeo jinal deuthaedo  
Hanareul mot nwa jwo igeotjocha neoraseo  
I know that I might be stupid but I can't fix myself and you know this  
Challaui sigando nae seupgwaneun neoraseo

I cannot love myself 'cause you're my habit to me  
I cannot love myself 'cause you're my habit to me  
I cannot love myself 'cause you're my habit to me

Mudeonhan nae haru sok  
Eoneusae neol geurineun seupgwani ajik natseoreo  
Mudeomdeomhan deuthaedo chimmugi doeryeo nal eojireopyeo

The time we shined I'm still on that time  
I should lie to myself 'I'm fine'  
But If I'm still walking to your shadow, baby  
Take me to daydream

You're bad but love you so bad  
You're a fad, I know you are passing fad  
I'm running at my loop  
Teach me how to stop this routine  
But you're my habit to me  
Maybe I was just a fad

I cannot love myself 'cause you're my habit to me  
I cannot love myself 'cause you're my habit to me  
I cannot love myself 'cause you're my habit to me
