

Give me all your time
'Cause I can't hide
Keep it on the low
Keep it on the low, yeah
Sip me like a wine
I'll treat you right
Pour it more
'Til we slip the floor

Chama bwado
Jigeumui gamjeong can't let go
Neodo aljana
Uriui tempo
Think I'm so addicted to your scent
But your attitude is so wicked
No need to lie
Now feel me like you're blind

But I can't take it off, yeah
(But I can't take it off, yeah)
But I can't take it off, yeah
(But I can't take it off)
Tell me babe is it a crime?
One bite, I can't satisfy
Keep it on the low
But I want 'em to know for sure

Give me all your time
'Cause I can't hide
Keep it on the low
Keep it on the low, yeah
Sip me like a wine
I'll treat you right
Pour it more
'Til we slip the floor

Eoje haetdeon

Everything 'bout tonight
Deep breath, all messed
Now I can read your sign
