My sweetie Madeleine, ooh baby

I'm walking to my girl through the cloud memories
Unfamiliar place but snug feeling
Piano melodies flow from the L-P
Just groove it slowly, no quick

Pretty young thing like a dream come true (True)
People all around but I only see you
Wanna play the ukulele for you, baby
If you let me sing aloud this happy tune (Happy tune)
I want you to know
That I can't take you out of my mind
I cannot deny you got me hypnotized
When I look into your eyes

Am I caught up in a daydream? (Daydream)
In a dream world
Darling, you fancy sipping Pellegrino
Got good taste listening to Beenzino

I've seen you around the way
Maybe Tweeter, maybe Weibo (Weibo)

All I know she's playing songs in the key of life
All I know in my dark desert, she's the sea of light
All I know I wanna see her again
Same time, same place
See you later, my friend (See you later, my friend)

Where are you now?
