I.M

Open the door, I know you just wanna take me on the floor
Come forward, I feel you cannot hold yourself anymore
Move back n forth, forget all the nights you got me before
You're driving me crazy, can't stop myself gimme more

Amuri dareun yaegireul deo kkeonae bwado
Gwansimi eomneun deuthan neoui eolguldo
Imi urin aljana out of control
We should keep in on the low, low
Just like before

Baby, I can't take it slow
Da algo sipeo an boineun ne jageun jeomkkaji
Tell me that you want me more
Muneul datgo urin malhae talkin' over body, body

I don't really care bout your gossip
'Cause I can't stop this, yeh, addicted
Neoreul bareumhaneun hyeoneun wavy
Think I drank too much of this liquid

Nege gajin geu maneun uimuneun jamsi
Mirwo dugiro hae jamsi
Maybe 'cause I like what I see
This is more than a lovesick

Taking off my clothes at the first
And the thirst just comes in a rush
I won't make you hush, but tell me if it hurts
I'm lost in our lust and we should call this love
You know I'm drowning so deep in you
Don't hesitate to look the truth

Baby, I can't take it slow
Da algo sipeo an boineun ne jageun jeomkkaji
Tell me that you want me more
Muneul datgo urin malhae talkin' over body, body
